EXPERIENCE

Undergraduate Advising Services at Stony Brook University — Stony Brook, NY

Registration Workshop Assistant — Jun 2026 - Aug 2026

- Guided 25+ incoming transfer students through fall schedule-building by analyzing degree requirements using DegreeWorks and Stony Brook University Catalog to finalize course plans.
- Trained students on the SBU student portal (Solar) resolving registration and navigation issues in real time to ensure a smooth onboarding experience.

FIFA World Cup 26™ New York New Jersey — New York, NY

Host City Ambassador (City Engagement Volunteer) — Jun 2026 - Jul 2026

- Organized and facilitated transportation guidance for international visitors, streamlining pedestrian workflows and providing tournament information at high-traffic New York City locations..
- Resolved real-time visitor inquiries across busy locations by applying multilingual communication (Russian and Kazakh), optimizing workflows and ensuring a positive guest experience.

Department of Languages and Cultural Studies, Stony Brook University — Stony Brook, NY

Front-End & CMS Developer — Jan 2025 - May 2025

- Managed and updated 50+ pages of structured web content using CMS, ensuring 100% data accuracy and improving accessibility for a campus of 18,000+ undergraduates and 40+ departmental faculty.
- Analyzed and improved page layouts and user interactions using HTML, CSS and JavaScript, demonstrating critical thinking to enhance usability and content accessibility.
- Collaborated with faculty to organize and publish time-sensitive academic content, while adapting to a dynamic and fast-paced environment.

Teaching Assistant – HUR 241: Russian Cinema — Jan 2025 - May 2025

- Administered Brightspace platform for 40+ students, managing access permissions and coordinating technical resolutions with faculty.
- Coordinated communication between faculty and students, ensuring timely delivery of assignments and maintaining organized course operations.

Computer Center "Server" — Shymkent, Kazakhstan

1C Software Support Intern — Summers 2021–2023

- Analyzed and resolved software configuration issues for 50+ clients, improving system efficiency and reducing repeat support requests through structured documentation.
- Onboarded new support staff by maintaining a structured knowledge base of 20+ documented issue resolutions, cutting average onboarding time by ~30%.

Inclusive Academy — Almaty, Kazakhstan

Programming Teacher for Children with Disabilities — May 2023 – Aug 2023

- Delivered a specialized HTML and CSS curriculum for 10+ students with disabilities, applying customized teaching methods to improve student engagement and resulting in a 80% increase in independent coding proficiency.

PROJECTS

Shymkent City Reporting Platform (Hackathon Project) - HTML, CSS, JavaScript — Mar 2024 - May 2024

- Built a full-stack civic reporting platform in JavaScript, enabling residents to tag infrastructure issues on an interactive map and submit geolocated photo reports.

ACTIVITIES

English Speaking Club at Specialized Gymnasium No. 8 — Shymkent, Kazakhstan

Co-Founder & President — Sep 2022 - May 2024

- Grew club membership from a founding group from 5 to 30+ active participants over two years through peer outreach.
